

GLOVEWORKS®

by AMMEX®

INDUSTRIAL CLEAR VINYL GLOVE

A terrific solution to the problem of damp hands in moisture-rich environments. The gloves are powdered with food-grade cornstarch, which makes the gloves easier to don and ensures greater comfort by absorbing sweat while you're working.

LATEX FREE

Vinyl gloves are a latex-free solution for professionals concerned with latex sensitivity.

SMOOTH

Liquids just slide off the surface.

POWDERED

Easier to put on, and keeps your hands dry and comfortable.

THE MOISTURE SOLUTION

At 3 mils, these gloves are ideal for a variety of applications: plumbing, janitorial, beauty, and others that require frequent glove changes. Food-related uses include baking, meat processing, and dozens of prep jobs. No concern about allergic reactions to latex proteins.
