

GLOVEWORKS[®]

by AMMEX[®]

EXAM BLUE NITRILE GLOVE

Premium in every way, these 8-mil gloves are more than twice as thick and durable as standard nitrile gloves. They feature an extended cuff—overall the gloves are more than 2 inches longer than standard—so they better protect your forearm and wrist from chemicals and bio-hazards.

LATEX FREE

Nitrile gloves are a latex-free solution for professionals concerned with latex sensitivity.

TEXTURED/MICRO-ROUGHENED

For a superior grip, wet or dry.

POWDER FREE

Won't interfere with adhesives or inks.

50

50 GLOVES

Because it's thicker, it comes in boxes of 50 high-quality gloves.
