

# GLOVEWORKS®

by AMMEX®

## INDUSTRIAL BLACK VINYL GLOVE

These gloves are a revelation: Instead of being clear like most vinyl gloves, they come in non-translucent black. That both gives them a professional appearance and means they conceal dirt and grime.

### LATEX FREE

Vinyl gloves are a latex-free solution for professionals concerned with latex sensitivity.

### SMOOTH

Liquids just slide off the surface.

### POWDER FREE

Won't interfere with adhesives or inks.

### AN AIR OF CLASS

At 3 mils thick, they are perfect for tasks from food service to janitorial to salon & beauty to light industrial. High-class restaurants will want them for front-of-the-house use among wait staff.
