## INDUSTRIAL BLACK SYNTHETIC VINYL GLOVE

In disposable gloves, black is the hottest color for looking cool—and professional. Now you can get black gloves at an excellent price point. This material blends synthetic rubber elastomers with vinyl polymers to create a soft, supple industrial glove.

### LATEX FREE

Synthetic vinyl gloves are a latex-free solution for professionals concerned with latex sensitivity.

### SMOOTH

Liquids just slide off the surface.

### POWDER FREE

Won't interfere with adhesives or inks.

### THE LOOK OF COOL

These are versatile, 3-mil gloves for lightweight tasks from food service and processing to salon & beauty to janitorial, and lots more. Restaurants will love them for front-of-the-house use. Their fit and feel mimics latex, but they will not aggravate natural rubber sensitivity.
