

GLOVEWORKS®

by AMMEX®

INDUSTRIAL IVORY LATEX GLOVE

These powdered gloves load all the criteria you demand into one package: strong, durable, resistant to chemicals, superb comfort. Factor in that they're powdered with food-grade cornstarch—so donning is easy, even if your hands are damp—and you have a winning combination.

POWDERED

Easier to put on, and keeps your hands dry and comfortable.

TEXTURED/MICRO-ROUGHENED

For a superior grip, wet or dry.
